About Althea Projects

Althea Projects Incorporated (Althea Projects) is a grass-roots, community based not-for-profit service based in Townsville.

From 1974 to present, Althea Projects (formerly known as Wee Care Family Incorporated) has been consistent in our commitment to supporting and strengthening the capacity of vulnerable families, children and young people within Townsville and surrounding regions.

Althea Projects operates from a child centred family focused and culturally inclusive framework.

Althea Projects mission is to support and strength families, children and young people so they experience social, emotional, physical and mental wellbeing and reach their full potential.

Althea Projects values include;

- Families as it is understood by the individual and their community
- Aboriginal and Torres Strait Islander People, Places and Cultures
- Human Dignity and Respect
- The Principles of Justice and Equity
- Diversity
- Innovation and Excellence
- Partnerships

The following is an overview of the programs Althea Projects delivers:

- **Wee Care** provides emergency 24-hour accommodation, respite care and emergency day care for children from birth to 11 years old when parents/carers are unable to arrange alternative care in a crisis situation, or due to other circumstances. Weekly playgroups are also held to support families in a strength based, peer focussed environment.
- **Shared Family Care** is funded to recruit, train, assess and support foster carers and to provide out of home care placements for children and young people in the Townsville, Charters Towers, Hughenden and Burdekin areas.
- **The Townsville Drop-in Centre** supports people within the community who are experiencing or are at risk of homelessness, are living in poverty, in crisis, or social isolation. Services provided include housing referrals, community and home care, centre-based activities, emergency relief, information and advice, laundry and shower facilities and visiting health services.
- Althea Projects also offers **Emergency Relief Funding** to families and individuals experiencing financial crisis.

Reconciliation & Closing the Gap

Althea Projects is committed to being a partner in reconciliation. Althea Projects wants to create meaningful opportunities with Aboriginal and Torres Strait Islander peoples.

Althea Projects overall RAP Action Plan seeks to contribute to the 5 dimensions of reconciliation within our community. One such action Althea Projects can do with regard to the dimension of equality and equity is the establishment of Aboriginal and Torres Strait Islander Reconciliation Grants.

Althea Projects full Reconciliation Action plan 2016 to 2018 can be accessed at the following web address <http://altheaprojects.org.au/about-us/strategic-direction/>, or at the offices of Althea Projects should you wish to view this. This RAP Plan is currently under review for the development of Althea's next RAP Plan for 2019 to 2021.

Frequently Asked Questions

If I make an application and I am successful, can I make another application in another round?

Yes, you can make another application in another round. However, go back to the eligibility to apply criteria and check if what you plan to apply for really fits. These grants are aimed at closing gaps and providing opportunities for people to achieve their goals and reach their potential.

Generally how long should it be before I know the outcome of my application?

The funding rounds will have a stated announcement date. This is the date you will know by.

If I am not successful in having my grant application approved, could I apply again at another time?

Yes, you can apply again in another round. But before you do, ensure you go back to the eligibility to apply criteria to ensure your request meets it.

What if I have questions about the application form, who can I talk to?

You can contact Althea Projects on 4779 3332 and request to speak to someone about the Application process/form.

Can I apply to other grants at the same time as I apply for this one?

Yes, you can apply for other grants. Althea Projects may not be able to provide the total costs if they are substantial so Althea Projects would not want to limit you meeting your goals by not considering your application. However, if you are applying for multiple grants, we just ask that you declare these details on the application form.

Do I have to do anything for this money?

The grant is not conditional on you having to do anything. If there was to be something such as a photo opportunity with yourself of your achievement this could only occur by your consent. This would always be sort from you. Your consent or non-consent to this would have no bearing at all on the approval decision of your application.

What if I don't like completing forms?

If you don't like or have trouble completing forms then you can seek help from a friend, family member, coach, teacher or anyone you trust to help you. If you don't feel you have anyone to ask, then you can phone or arrange to attend Althea Projects and someone can complete the form on your behalf from having a verbal conversation with you about it.
